

Call For Papers

The Cervantes Society of America anticipates sponsoring up to three sessions at the 2026 Annual Meeting of the Renaissance Society of America, to be held February 19-21 in San Francisco. We are interested in receiving proposals for 20-minute papers that engage with Cervantes's works in the contexts of Renaissance thought, culture, politics, and aesthetics. We particularly encourage proposals on commonalities and/or collaborations with other writers and thinkers of Cervantes's time, on Cervantes and the visual arts, on Cervantes and the classics, and on the representation of history in Cervantes's works.

All panelists must be or become members in good standing of both the RSA and the CSA to participate.

If interested, send a brief CV of two pages (PDF or Word doc), an abstract (150 words maximum), and a brief title (no more than 15 words) to Marsha S. Collins at marcol@email.unc.edu no later than July 14, 2025. Please put "RSA Proposal" in the subject line of the email for easy identification purposes.
